

Dear Selection Committee,

I am pleased to provide this letter of recommendation for Lise Brogaard Dyg.

I have had the pleasure of being the project manager at International House North Denmark (IHND) during Lise's tenure here as a project coordinator and communications assistant. One of Lise's areas of focus has been coordination and planning of several major events for International citizens and companies (workshops, fairs, conferences and seminars) as well as both internal and external communication. This work requires a high level of organizational skills, and Lise has proven herself very capable in this area.

Lise has worked with both internal and external communication and has improved our social media platforms by producing original and imaginative content for Facebook, LinkedIn and Instagram, which has reached and engaged a broad target group. Furthermore Lise have also produced a number of professional newsletters as well as video material for use on social media platforms.

Lise has demonstrated a broad knowledge regarding the structures and rules of working in a political environment in a municipal setting, where her professional communication with partners and citizens has been spot on.

Throughout the last months, I have found Lise to be a reliable, enthusiastic, and very creative key contributor who with commitment and drive takes on new tasks and solves them on a high professional level. Lise can work successfully as part of a team as well as on her own, and she is able to follow through to ensure that the job is done. She is flexible and willing to work on any project assigned to her.

For a young professional, Lise shows a high quality of professional and personal judgment. She has impressed us with her commitment and great sense of humor, both within the team and in an intercultural setting, where the working language is English. Lise is always bright and energetic, shows high levels of engagement and interest, and is willing to help at any time. In short, Lise is a very pleasant colleague to be around.

Lise would be an asset for any organization and has my highest recommendation. If you have any further questions with regard to her background or qualifications, please do not hesitate to contact me.

Sincerely,

Lasse Frimand Jensen
